Hopkins University

2nd Announcement for AKN Annual Meeting, 2016

Dear friends and colleagues,

This is the 2nd announcement for our 2016 AKN annual meeting.

On behalf of AKN officers and members, we are so much thankful to our sponsors who continue to support the AKN annual meeting. Owing to the generous support from our sponsors, we are happy that we will be able to continue our exciting annual meeting. As the result, we have the following exciting announcements.

First, we made a reservation at **Horton Grand Hotel** (<http://www.hortongrand.com/>) for seated dinner in Regal Ballroom. It is just 3 blocks away from San Diego Convention Center.

Horton Grand Hotel
November 14, 2016 (Monday), 6:30pm-9pm
Hotel address: 311 Island Avenue, San Diego, CA 92101

Second, the pre-registration web page is: <https://goo.gl/m4Y4kv>. If you plan to join our AKN 2016 meeting, please go to the link above and preregister now! Seated dinner will be provided, however, seating is limited, and priority will be given to:

- Current AKN members.
- Those who pre-register.
- Those who arrive on or prior to 6:30pm

Third, we are currently accepting the application for AKN outstanding research awards (for predoctoral, postdoctoral, and junior faculty). **The deadline is coming very soon (Oct 28), so please apply now!** (see details in the 1st announcement for AKN Annual Meeting 2016 on our AKN website (<http://www.akneuro.org>)).

Owing to very generous sponsors, we will continue to provide each pre- or postdoctoral awardee with the award prize \$400 and junior faculty awardee with \$1,000. We hope many of you apply for this great opportunity. For details of submission, please refer to our AKN website (<http://www.akneuro.org>).

Forth, we will prepare great gifts for you and raffle them, as we did last year. We will have fancy gadgets (about 3-5 android tablets) up for raffle. Outstanding research awardees will be excluded in this raffle. The raffle ticket will be provided only to those who show up at or before 6:30pm.

So, we believe that we will have another great meeting with lots of fun, great networking

and great science. Because we have limited seats, please go to the link above and preregister now!

We greatly look forward to meeting everyone of you in our 2016 AKN meeting!!!

Best wishes,

Un Jung Kang, MD
Co-President, AKN
